	31 – 03 May						
	6 - 10 Jun				Exams end on 10 June 2015		

Resit Exam Period from 22 – 2 September 2016

1st and 2nd year students are advised NOT to make holiday arrangements during the Re-examination period (and those students who live overseas should not book return flights until exam results are known).

Unforeseen circumstances may mean that you miss an exam in January or May/June, in which case you will be required to attend in August in order to continue with your studies in the following year.
